***Convergence Initiative / Initiative Convergence***

Members of the Board:

It is with regret that I inform you of my decision to resign my volunteer position as Director of Communications of the Convergence Initiative.

My other professional commitments have become too heavy for me to be able to fulfill the requirements of my position on the Board, and I feel it is best for me to make room for someone with the time and energy to devote to the job.

I am very thankful for the opportunity of being a part of the Convergence Initiative board. I am proud of all the initiative has accomplished in the past year, and I have no doubt the initiative and its successes will continue to grow.

If I can be of any assistance during the time it will take to fill the position, please don't hesitate to ask. I will also be happy to keep collaborating in the initiative as a writer, content generator or as cognitive neuroscience consultant if you ever need one.

Thank you again for this opportunity and don't hesitate to contact me if you have any further questions.

Best regards,
